## Medicare Made Clear

Medicare can be, and often is, confusing. There are so many plans and so many changes year to year that it's not surprising folks need some help to decipher it all. If you are approaching age 65, or already there... your mailbox may already be stuffed full of advertisements from Medicare and everyone else who wants you to buy their plan. So what do you do? Should you purchase an HMO or a PPO plan...maybe an HMO/POS? What about a Medicare Supplement/Medigap plan? Maybe you are wondering what the "donut hole" is and why you should try to stay out of it. Or...maybe you want to work past age 65, and wonder how will that affect you and the insurance at your job? Maybe your questions are more basic, like "When do I sign up?" or "Where do I sign up?"

Don't worry! This is a real-world, interactive class with real-life illustrations. In this two hour class you will learn about the various types of plans, processes and penalties associated with Medicare for this year. You will leave with a good basic understanding of Medicare and what the plans cover. There will be plenty of time for Questions and Answers at the end of class. If you are 64 or older, this class will help you make better decisions for your healthcare when it is time for you to choose a Medicare plan for yourself.

### A Psychic's "Show and Tell"

Let's introduce you to psychic-mediumship...ours and yours! The sixth sense is a natural ability that conveys information from the energy environment around us...aka vibes. While some folks are "born knowing" others can re-familiarize themselves to interpret and communicate the information signals being received. The "trick" is to discern this information from the fears and myths that surround the psychic-medium realm so that your intuition can harvest the insights you receive in a positive and uplifting manner.

In this class, we will present the "no-fear" simplicity of the psychic senses while also discussing some of the common misconceptions of psychic-medium readings. In addition, Susan and Connie will offer a demonstration of psychic-medium readings to those attending. Please note: Based on the time and the number of people in the class, not everyone will receive a message. (Feel free to review readers and schedules on our website for psychic-medium appointments.)
