Pioneer Families,

What an INCREDIBLE first month of school! Plank North teachers and staff have worked diligently to welcome our students and get the school year off to a wonderful start! It's exciting to see the growth our children have made in such a short period of time. We are looking forward to achieving amazing things this year.

On September 6, we had our first PN Family Gathering where we began with our live Morning Show and then discussed our goals for the year focusing on a theme of "Reading Will Take You Anywhere". We also introduced our new school mascot, PRIDE the Pioneer Moose! Our "moosecot" sure brought lots of smiles to the kids' faces.

Plank Road North Elementary School is a special place where our commitment to excellence, relationships and the development of thoughtful citizens is the priority. Welcome back Pioneer school family. We look forward to another wonderful year!

Open House:

Our Open House is scheduled for Wednesday, November 6, 2024 from 6:00 - 7:00pm. Families are welcome to attend, see what's happening in your child's classrooms and chat with teachers in a casual, informal setting. More information will be shared through classroom teachers and ParentSquare soon.

Webster CSD to Host Family Engagement Forum:

The event will take place Monday, October 7 from 5:30-7:30 p.m. in the second-floor professional development center at Spry Middle School, 119 South Avenue, Webster. The primary goal for the Community Engagement Forum is to afford parents/guardians, Webster CSD staff and students, and the broader community a space to network and partner on a variety of activities. The district will share information on relevant topics in family engagement, hear from parents and students directly, and strategize collaborative action steps for moving forward.

Yours in partnership, Craig Bodensteiner, Principal

Music "Notes"

By Miss Mossey

What a great beginning to the school year we've had in music class! Here are some of the highlights so far:

- Kindergarteners have been singing songs and playing games with a farm theme. We
 have also been learning how to play several percussion instruments- maracas, the
 cowbell, tambourines, and rhythm sticks.
- First graders have been singing the saga of Larry the Lobster. There has been a lot of work on our singing voices and playing instruments at the right time in the song.
- Second graders have been building on the basic skills they learned in first grade. They are reviewing mallet technique and enjoying playing the barred instruments.
- Third graders are learning about singing in unison and in canon. It's much more difficult than the songs they sang in second grade!
- Fourth graders are at the beginning of a project that has students creating patterns and rhythms using hand drums. We are exploring how to use the drums to create unique sounds to incorporate into the patterns. Oh! And we're singing a great song about junk food.
- Fifth graders are really taking their skills to a whole new level. We are singing more difficult songs and working on skills needed for playing in an ensemble. Simple things like starting and stopping at the same time can be quite the challenge!

Library News

Jen McCorry School Librarian

We are off to a great start in the Plank North Library! Thank you to all families for helping the children keep track of their library day in the 5-day rotation. We are thrilled about the number of books that have been returned on library day!

In an effort to encourage independent reading and to encourage the habits of lifelong readers, this year's school-wide theme is Reading Can Take You Anywhere. Throughout the year we will be encouraging students to read different types of books in order to go to different places through their imagination and learning. Some students will even be asked to tell more about their reading on the Morning Show! Please be on the lookout for monthly reading challenges revolving around this theme, along with a link for students to participate. These challenges will be communicated to families through Parent Square.

Thank you again for all of your support! You can follow us for library updates on Instagram @planknorth_library. Happy Reading!

Plank North Physical Education Students of the Month – **September & October**

Mrs. Craig and Mr. Sayers are very proud of all the students at Plank Road North Elementary. We would like to take this time to recognize two 5th grade students that have demonstrated characteristics that were extraordinary this month. These students have shown that they are working continuously at a high level of achievement. A student must go above and beyond what is expected of them, and demonstrate they are not only an outstanding student of Physical Education, but also a superior member of the Plank Road North community. Characteristics exhibited include the Webster essential skills, personal living skills, and skillful moving. Congratulations to this month's recipients **Brianna**Leusch, Xavier Bascoe, Addie Tempio and Xander Bascoe for the months of September and October. Mrs. Craig and Mr. Sayers sat down with the students to ask them a few questions, and here are the responses.

Brianna Leusch is a 5th grader in Ms. Napaliano's class where her favorite subject is math. Outside of school, Brianna plays lacrosse for the Aces Travel Team in the positions of defense and middie. She also participates in swimming with the Fairport Area Swim Team (Fast). At school, she is a member of the Plank North Safety Patrol as a kindergartner helper. If you have Brianna over for dinner her favorite food is sushi. When Brianna grows up, she would like to become something in the medical field like a nurse or a doctor. Brianna's favorite team to cheer for is the Buffalo Bills.

Xavier Bascoe is a fifth grader in Mrs. Peffley's class where his favorite subject is science. Outside of school Xavier plays basketball for the Webster recreation team which his dad has the pleasure of coaching. He also runs on a travel track team called Running Flower City. Xavier is very involved in school activities. He is in the Plank North band where he plays the saxophone. He is an outstanding member of the Plank North Safety Patrol with the job of kindergarten helper and door holder. He also is on the Ridge Runners Track Club and sings in the Plank North chorus. We asked Xavier what his favorite food is and he answered shrimp scampi. When Xavier grows up, he would like to be a scientist or an Olympic runner. When asked what team he likes to cheer for he quickly answered the Los Angeles Lakers basketball team.

Plank North Physical Education Students of the Month – **September & October**

October Student Athletes:

Addie Tempio is a 5th grader in Mrs. Peffley's class where her favorite subject is reading. Outside of school, Addie participates in the RGA gymnastic club where she likes to compete on the vault. She is also involved with 4-H where she shows dairy cows and rabbits. At school Addie performs in the Plank North orchestra where she plays the violin. Addie is a member of the Plank North Safety Patrol as a kindergartner helper. If you have Addie over for dinner her favorite food is cheeseburgers; she likes them out and at home. When Addie grows up, she would like to become an elementary school teacher. Addie's favorite team to cheer for is the Buffalo Bills.

Xander Bascoe is a fifth grader in Mrs. Peffley's class where his favorite subject is science. Outside of school Xander participates in basketball for the Webster recreation team where his dad coaches the team to many victories. He also runs on a travel track team called Running Flower City. Xander is very involved in school activities. He is in the Plank North band and plays the saxophone. He is an outstanding member of the Plank North Safety Patrol with the job of kindergarten helper and door holder. He also is on the Ridge Runners Track Club and sings in the Plank North chorus. We asked Xander what his favorite food is and he answered fettuccine alfredo. When Xander grows up he would like to be an Olympic champion. When asked what team he likes to cheer for he quickly answered the Los Angeles Lakers basketball team.

Congratulations to our Student Athletes of the Month!

Who: Plank North students and their families
When: Sunday, October 27th, 2:00-3:30pm (Rain or Shine)

We will be parking our cars in the schools parking lot and opening our trunks so the children can "trick-or-treat" from car to car.

Each family should bring candy to distribute from their trunk. Each child should be dressed in their costume and carry a bag/bucket to put their goodies in. One adult *must stay at your trunk* and *another adult should accompany your children* as they walk around.

Families may certainly combine to do a trunk. We want everyone to have fun and be safe!

There will be **PRIZES** for **best decorated trunks and best costumes**!

Please note: all costumes/trunk decorations should be school appropriate and child friendly

We hope to see you there!
