## “Strive for Five for School Bus Safety”

July, 2023

Dear Kindergarten Parents or Guardians,

You and your kindergarten student are invited to attend the Webster Transportation Department’s 16th annual school bus safety event. Our school bus drivers have created this school bus safety program specifically to teach the children five of the most important safety procedures of riding a school bus. The areas we will be focusing on are:

- Loading and unloading the bus*
- Proper crossing procedures*
- Danger zones surrounding the bus*
- Appropriate behavior on the bus*
- Emergency Equipment/Evacuation*

Our program will be held at the Webster School Bus Garage, 1000 Document Drive. However, in order to give our first-time riders the opportunity to be on a school bus, we will pick up and drop off everyone at the Willink Middle School, 900 Publisher’s Parkway. The school buses will pick up at Willink, depart promptly at the times listed on the back of this page, and take everyone to the Bus Garage. Please park your vehicle in the **southwest** parking lot of the campus. There will be someone there to help direct you. We will load buses at the main entrance near the flagpole. You should arrive at Willink 10 minutes prior to departure. To accommodate all of the kindergarten students in the District we encourage you to attend on the date and time specified for your school (see schedule on the back). If you are unable to attend when your school is scheduled, you may try another session. Each session will last a little over one (1) hour. Private and Parochial (non-public) kindergarteners may attend any session. Unfortunately, due to limited space we are only able to accommodate new kindergarteners and their parents/guardians.

**The program is held outside and will take place rain or shine. Please dress appropriately.**

We are very excited to have you and your children attend our “Strive for Five for School Bus Safety” event.

Hope to see you there.

*Renee M. Reagan*  
Director of Transportation

# Safety Program Schedule

School buses will pick up and drop off everyone at the Willink Middle School, 900 Publisher's Parkway. The school buses will depart promptly at the times listed below and take everyone to the Bus Garage. We should be returning to Willink around 7:15 PM.
